Motivational Author Helps Conquer Real-Life Challenges

For Anyone Determined to Succeed

LaWann Moses, Author of *Rising Above Statistics: Success Against All Odds* is helping conquer life challenges by inspiring others to create unique plans for success. In her book, LaWann details her journey as a teen mom who rose above statistical standards and succeeded against all odds. Using stories, tips, and exercises, LaWann demonstrates how to achieve dreams and live on purpose.

Readers of her book have expressed great enthusiasm for the project. Reviews have been extremely positive including this one: "Do you want to read an upbeat, positive story? One that fuels you with motivation to keep going? Then get THIS book!"

"So many women are facing hardships and are ready to give up. It was time for me to tell my story, and pour hope into those feeling defeated." - LaWann Moses

LaWann Moses became interested in writing at a young age, always writing short stories and poems throughout her youth. LaWann has a B.S. in Psychology and M.S. in Administration of Justice. She is a Certified Domestic Violence Specialist and Blogger who feels her life's mission is to fill empty love tanks until they are overflowing. Her book *Rising Above Statistics* is a factual story based on her life experiences. Read more at www.mochamasterpiece.com.
